

WE
DAY

What Is WE Day?

WE Day is an arena-sized event that brings together world-renowned speakers, performers, actors, athletes, global leaders and local heroes alongside tens of thousands of students—celebrating the power young people have to make a positive difference in the world. The best part? Youth can't buy a ticket to WE Day—they earn their way in by participating in one local and one global action through the year-long WE Schools service-learning program.
